SUPPORT, COLLABORATION & GROWTH

Meetings focus on building relationships, supporting each other's business growth, and sharing our resources and knowledge.

At Le'karev, our mission is to bring Jewish business owners and Jewish professionals closer - to collective strength, shared purpose, and lasting success. “Le'karev” means “to bring closer”, reflecting our commitment to fostering connection, collaboration and community in a way that strengthens us all.

We believe in the power of the Jewish community supporting one another. By building real relationships, sharing resources, and drawing on our collective experiences. Le'karev helps each other grow - not just in business but in confidence and visibility.

Our commitment is to safety, success, and solidarity. At Le'karev you can stand proudly in your Jewish identity, knowing you are supported, empowered, and never alone. Through mutual respect and shared responsibility, we're shaping a thriving future for Jewish businesses and Jewish professionals.

FAQs:

IS IT OK THAT I'M NOT A PRACTISING JEW?

Of course - we pride ourselves on our commitment to inclusion. Regardless of your level of Jewish observance, you are welcome at Le'karev.

WILL I BE THE ONLY ACCOUNTANT IN MY GROUP?

We will never turn away a Jewish business person looking for solidarity and support, and believe collaboration always beats competition.

DO YOU TAKE SECURITY SERIOUSLY?

Every visitor's identity is verified ensuring everyone in the room is Jewish. All groups meet in shuls with security measures in place.

WILL I HAVE TO BRING REFERRALS AND VISITORS?

It's not a requirement, though we hope you'll help us grow our network. The only expectation is that you agree to uphold our values when you join Le'karev.
